December 2025 sees numerous alterations to rail services along the Tyne Valley Railway.

There are many changes to the times of trains and there is an increase in the number of trains stopping at some stations.

Most Carlisle to Newcastle services will terminate at Newcastle.

Please check the new times carefully
A limited two hourly service will operate
on 1 January 2026
(a result of engineering work on the West Coast Main Line)

Plan your journey at www.northernrailway.co.uk/journey-planner or www.nationalrail.co.uk/journey-planner

There are two services an hour Newcastle to/from Carlisle and even more Newcastle to/from Hexham and the MetroCentre.

You must buy your ticket before boarding the train at a booking office, ticket machine, app or online. Promise to pay tickets are available from ticket machines if you cannot pay by debit/credit card and wish to pay for your ticket by cash on the train.

A range of tickets are available including singles, returns, rangers and rovers. Discounts are available if you purchase tickets in advance, have a valid railcard, or if two people are travelling together. Groups of 10 or more can benefit from discounts with a group booking.

Train companies provide compensation when trains are late or cancelled. Find out more information about the Delay Repay process for Northern trains at northernrailway.co.uk/delayrepay.

No trains will operate along the Tyne Valley Railway on 25 and 26 December. On the following public holidays, the timetable will be that of the normal weekday service:

Good Friday	3 April 2026
Easter Monday	6 April 2026
May Day	4 May 2026

Times are subject to change. Check before travel at northernrailway.co.uk, nationalrail.co.uk or call National Rail Enquiries on 03457 484950.

Ranger and rover tickets give you the freedom to hop one and off trains within a valid area of travel. The **Hadrian's Wall Country Day Ranger** ticket is valid for travel between **Sunderland** and **Whitehaven** allowing you to visit some of the amazing sites along Hadrian's Wall, wander through the towns or villages and enjoy local produce. You can sit back, relax and marvel at the rural and coastal landscape.

Other ranger and rover tickets include travel on the **Tyne Valley Railway**. Find out more about these tickets in our Rangers and Rovers leaflet, available at tvcrp.org.uk/home/brochures.

Alternatively, if you enjoy walking and want to explore the area on foot, get off the train at **Bardon Mill**, the gateway for walkers to **Hadrian's Wall**, and walk to **The Sill, Vindolanda**, and then to **Steel Rigg** or **Sycamore Gap**. Scan the QR for walking routes from Bardon Mill

Or perhaps explore **Corbridge** Roman garrison town. Walk from the railway station and through the town to the English Heritage site. Whilst in the town you will find many independent shops and places to eat, drink and stay too.

From **Wylam** Railway Station, a walk will take you passed the birthplace of famous railway pioneer, George Stephenson. Alternatively, walk over the impressive former railway bridge, Hagg Bank, to **Prudhoe** along the footpath (Cycle Route 72).

Combine a single rail journey with a walk or cycle ride with views of the River Tyne on the Keelman's Way connecting **Wylam** and **Blaydon** to Derwent Haugh, Gateshead. (Cycle Route 141)

Where Can You Go by Train?

The Tyne Valley Railway gets passengers to the heart of the UNESCO World Heritage Site **Hadrian's Wall**, with its wonderful scenery providing a great walking area with the many Roman sites and attractions to visit.

The cities, towns and villages along the route offer a wide choice of places to eat, drink and stay, with a great mix of leisure opportunities, culture, music and theatre, sport and alongside a varied retail offer.

With connections at **Carlisle** and **Newcastle** with trains to the rest of the country, the rail network provides sustainable travel options for work, education or leisure. Enjoy the scenery of the **Cumbrian Coast Line** or **Settle Carlisle Railway** or take a trip on the recently opened **Northumberland Line**.
